

To whom it may concern, I just wanted to voice my opinion about a Christian music station in this area called K-love. It has a positive impact on our community and we really enjoy it here. I don't want to see it go to this LPFM, and then be forced off the air, that would be terrible. It's refreshing to see a station like this on the radio and I want it to remain so we can all enjoy it in the clear powerful FM stations and not be downgraded to this low FM channel. Thanks for listening and I hope I can continue to enjoy this station the way it is now and for a long time. Our stations are 96.9 FM, and 102.3 FM.
